2

Bradock High School

Bradock High School is currently meeting both State and Federal accountability requirements; however, recent scores show that the campus is falling behind in Math and Science tests and student scores and current courses for the incoming 9th graders and 10th grade classes. The number of student safety incidents have also increased:

- Math TAKS scores for incoming 9th grade and 10th graders are falling
- Math benchmark scores are falling for 9th and 10th graders
- Math grades in 9th and 10th grade courses are below target
- Academic intervention support is needed in 9th and 10th grade math courses
- Shortage of qualified teachers in math for 9th and 10th grades
- In-school discipline incidents have increased

1

Campus dashboards will include summaries of student academic indicators, as well as metrics on school environment and campus resources.

2

The profile section will summarize the campus' performance to make it more easily understandable and actionable.

3

SUMMARY	STATUS	DISTRICT COMPARISON	PEER CAMPUS COMPARISON
<p>Student Engagement Student is actively and productively engaged</p>	1 (red), 7 (green)	Top 1/4	Second 1/4
<p>Academic Progress Student is making appropriate progress</p> <ul style="list-style-type: none"> Assessments Student performance on state and benchmark assessments: 9 (red), 7 (green) Course Grades Course grades and credit accumulation: 5 (red), 4 (yellow), 5 (green) Growth Student progression: 1 (red), 4 (yellow), 7 (green) 	4 (yellow)	Bottom 1/4	Third 1/4
<p>Academic Challenge Student is being challenged to fullest potential</p>	7 (red), 10 (green)	Second 1/4	Third 1/4
<p>College & Career Readiness Student is on college or career track</p>	8 (red), 11 (green)	Top 1/4	Second 1/4
<p>School Environment School is a safe and clean environment</p>	4 (red), 5 (green)	Top 1/4	Second 1/4
<p>Quality Workforce Teachers have the resources and training to be effective</p>	6 (red), 8 (green)	Second 1/4	Third 1/4

3

This summary will show how the campus performance compares to other campuses within the district, as well as similar campuses within the state.

4

Each category contains a set number of detailed metrics. The numbers within the colored circles indicate the total # of metrics within a category that are at or above (green), trending downward (yellow), or falling below (red) the threshold level.

1

The detailed academic dashboard will show metrics disaggregated by grade. The “quick chart” tab will show breakdowns by teacher and NCLB groupings.

2

Customize the view by 30+ different groups including:

- NCLB
- Mobility
- Cohort Year
- Time Period
- Grade Level
- Classroom
- Campus
- District

3

The “full detail” tab will generate a list of individual students who are performing poorly on that metric, so that the principal can approach teachers or students directly and specifically.

1

1

Users have the ability to set metric thresholds.

2

Each metric will have a campus goal that is tied to a strategic planning template. If the district (along with all campuses) complete the strategic planning templates, the DCD will be able to calculate whether the campus goals roll-up correctly to allow the district to reach its overall goals. This feature will connect strategic planning to performance management and should bring more rigor to the goal setting done at each district and campus.
