

CODE TABLE CHANGES

2019-2020 School Year

July 31, 2019 — August 1, 2019

I. INDUSTRY-CERTIFICATION-LICENSE-CODE (C21 4)

II. PROGRAM-OF-STUDY-CODE (C220)

III. SERVICE-ID (C022)

AGENDA

- Since the March 2019 publication of TEDS v2020.1.0, translations for 9 codes have been revised and many industry certification licensure codes have been added.
- There are currently 245 industry certification licensure options in the code table.
- [Click to view the INDUSTRY-CERTIFICATION-LICENSURE-CODE \(C214\) code table.](#)

I. INDUSTRY-CERTIFICATION-LICENSE-CODE (C21 4)

II. PROGRAM-OF-STUDY-CODE (C220)

III. SERVICE-ID (C022)

AGENDA

- Since the March 2019 publication of TEDS v2020.1.0, these changes have been made to the PROGRAM-OF-STUDY-CODE (C220) code table:
 - Code 008 translation revised from “Aviation” to “Aviation Maintenance”,
 - Code 010 “Building Code and Inspection” retired, and
 - 8 new program of study codes added.

PROGRAM-OF-STUDY-CODE (C220)

Code	Translation	State	Region	New/Revised/Retire
008	Aviation Maintenance	Y	N	Revised
010	Building Code and Inspection	Y	N	Retire
053	Barbering	Y	N	New
054	Construction Management and Inspection	Y	N	New
055	Fashion Design	Y	N	New
056	Flight	Y	N	New
057	Interior Design	Y	N	New
058	Maritime	Y	N	New
059	Medical Therapist	Y	N	New
060	Welding	Y	N	New

I. INDUSTRY-CERTIFICATION-LICENSURE-CODE (C21 4)

II. PROGRAM-OF-STUDY-CODE (C220)

III. SERVICE-ID (C022)

AGENDA

- Since the March 2019 publication of TEDS v2020.1.0, the SERVICE-ID code table has additions, revisions and deletions.
- [Click to view the change log for the SERVICE-ID \(C022\) code table.](#)
- [Click to view the SERVICE-ID \(C022\) code table.](#)

- For the 2018-2019 school year, House Bill 3593 (85th Texas Legislature, 2017) permitted school districts to receive weighted Career and Technical Education funding for students enrolled in the following technology application courses on cybersecurity:
 - Fundamentals of Computer Science (03580140)
 - Computer Science I (03580200)
 - AP Computer Science Principles (A3580300)
- To receive weighted funding, the district reports CTE attendance contact hours for students enrolled in these courses.

- For the 2019-2020 school year, the cybersecurity courses eligible for CTE weighted funding have changed.
- August 2019 - HB 963 allows all Technology Applications courses to be eligible for weighted funding.
 - ~~The following Service ID is no longer eligible for weighted funding:~~
 - ~~Fundamentals of Computer Science (03580140)~~
 - The following Service IDs are newly eligible for weighted funding:
 - Digital Forensics (03580360)
 - AP Computer Science A – MATH (A3580110)
 - AP Computer Science A – LOTE (A3580120)
 - All Technology Applications courses
 - The following new Service IDs are eligible for weighted funding:
 - Foundations of Cybersecurity (03580850)
 - Cybersecurity Capstone (03580855)
