Senate Bill 622, passed during the 85th legislative session, requires that political subdivisions (including school districts) reflect in their proposed budget, a line item specifically for expenditures incurred to publish all statutorily required public notices in the newspaper by the political subdivision or their representatives.

Examples include: items related to school board elections, specific test administration dates, or notices of budget and tax rate meetings.

- In order to comply with Senate Bill 622, the Texas Education Agency, has added the following code to the OBJECT-CODE (C159) code table that applies to Actual Financial data reporting for the 2019-2020 school year:
 - 6491 – Statutorily Required Public Notices

NEW EXPENDITURE CODE - RULES

Rule #	Rule Change	Collection / Submission & Error Level	Applies to
20032-0149 New	There should be Actual Financial data where OBJECT-CODE is "6491"	Special Warning Sub 2	Districts
20032-0150 New	OBJECT-CODE must not be "6491"	Fatal Sub 2	Charters

- For budget reporting, 6491 and all codes under 6400 (Operating Costs) are reported as OBJECT-CODE 6400. Code 6491 (Statutorily Required Public Notices) is part of a subset of codes that exist in the OBJECT-CODE (C159) code table.

- Additionally, the To The Administrator (TAA) notice [New Expenditure Code \(Object 6491\) for all Statutorily Required Public Notices](#) states that expenses related to the new OBJECT-CODE 6491 (Statutorily Required Public Notices) should be tracked for the 2018-2019 school year so that LEAs can report these expenditures in the 2019-2020 TSDS PEIMS collection of Actual Financial data.

Federal reporting requirement changes have been made to no longer require states to report data related to tobacco and school related gang violence. This information is currently collected through the DISCIPLINARY-ACTION-REASON-CODEs 33 (tobacco) and 34 (school related gang violence).

- In order to comply with the updated federal reporting requirements, the following changes have been made to the DISCIPLINARY-ACTION-REASON-CODE (C165) code table for the 2019-2020 school year:
 - Delete code 33 (tobacco)
 - Delete code 34 (school related gang violence)
 - Update code 21 (take out reference of codes 33 and 34)

The Texas Education Agency administers an annual grant (refer to: eGrants SC5050) in order to collect serving and residing local education agency (LEA) student enrollment and demographic data for open-enrollment charter schools and three special state LEAs

- Texas School for the Blind and Visually Impaired (TSBVI)
- Texas School for the Deaf (TSD)
- South Texas ISD (STISD)

LEAs currently must enter student enrollment data via the eGrants collection, at which time the Resident Public School District (CAMPUS-ID-OF-RESIDENCE) must be entered. This information is then used in the federal statutory based allocation formulas to account for and allocate federal funds to LEAs.

By using data reported in the PEIMS Fall Submission for CAMPUS-ID-OF-RESIDENCE (E0903), the annual eGrants SC5050 data collection for special state LEAs will be eliminated with a few exceptions.

- In order to use the CAMPUS-ID-OF-RESIDENCE (E903) for the special state schools, the following changes have been made to the STUDENT-ATTRIBUTION-CODE (C161) code table:
 - Code 29 – South Texas ISD [For South Texas ISD use only]
