TSDS COLLECTIONS — ROLES AND RESPONSIBILITIES

Leanne Simons

2019-2020

March 2019

CONTENTS

- Moving into our fifth year of TSDS

- Expanding to add or transition collections to the TSDS ODS Collection

- Submission of data through the Core Application

CONTENTS

WHAT IS THE CORE APPLICATION?

Current Core

- ECDS only
- Prepare
- Limited ESC functionality

Enhanced Core

- Common platform for all collections (excluding PEIMS and Dashboards)
- Promote
- Enhanced ESC functionality
- Core Roles

- New Core functionality will be released in August/September timeframe.

- All collections will use Promote functionality

- Promote will be configured one of two ways in Core:
  - Promote all data
  - Promote by category/subcategory

- TSDS SME & Data Collection Owner will determine configuration

CONTENTS
