AGENDA

- HB 3, sections of 1.013, 2.019 and 2.021 made a variety of adjustments to eligibility for funding for prekindergarten programs.
- HB 3 Section 2.019 requires Local Education Agencies (LEAs) to operate a full-day prekindergarten program for children who are at least four years of age.
- Along with these adjustments, additional data reporting to TEA is required.
- [SB 1679](#) allows a student who is eligible for prekindergarten at the age of three to automatically be eligible for enrollment in a prekindergarten class in the following school year.

Sec. 48.005 [~~42.005~~]. AVERAGE DAILY ATTENDANCE.

(a) In this chapter, average daily attendance is:

(1) the quotient of the sum of attendance for each day of the minimum number of days of instruction as described under Section 25.081(a) divided by the minimum number of days of instruction;

(2) for a district that operates under a flexible year program under Section 29.0821, the quotient of the sum of attendance for each actual day of instruction as permitted by Section 29.0821(b)(1) divided by the number of actual days of instruction as permitted by Section 29.0821(b)(1);

(3) for a district that operates under a flexible school day program under Section 29.0822, the average daily attendance as calculated by the commissioner in accordance with Sections 29.0822(d) and (d-1); or

A district is not required to provide transportation for a prekindergarten class, but transportation, if provided, is included for funding purposes as part of the regular transportation system.

(c-1) A prekindergarten class under this section for children who are least four years of age must comply with the program standards required for high quality prekindergarten programs under Subchapter E-1.

(d) Subject to Subsections (d-1) and (d-2), on ~~[On]~~ application of a district, the commissioner shall ~~[may]~~ exempt a district from the application of all or any part of this section, including all or any part of Subchapter E-1 for a prekindergarten class described by Subsection (c-1), if the commissioner determines that:

AGENDA

- HB 3, section of 2.019 requires 4-year-old prekindergarten (PK) programs to be full-day programs, but section of 1.013 of House Bill 3 (HB3) continues to only provide half of average daily attendance (ADA) for funding purposes.
- LEAs may choose to use the Early Education Allotment to supplement the second half of their PK day.
- To track these choices, it is necessary for the Texas Education Agency (TEA) to collect more detailed information about the prekindergarten instructional programs being offered at each campus.

- V. DYSLEXIA AND RELATED DISORDER SERVICES REPORTING

AGENDA

- Under HB 3, Section 1.027, an allotment for services provided to students who have dyslexia or a related disorder was established.
- Currently, LEAs report whether a student is identified as having dyslexia or a related disorder, but they do not report if services are provided to these students.
- Due to the establishment of an allotment for services provided to students who have dyslexia or a related disorder, it will be necessary to provide a mechanism for LEAs to indicate the type(s) of services a student identified with dyslexia or a related disorder received at any time during the school year.

Sec. 48.103. ALLOTMENT FOR STUDENT WITH DYSLEXIA OR RELATED DISORDER.

(a) Subject to Subsection (b), for each student that a school district serves who has been identified as having dyslexia or a related disorder, the district is entitled to an annual allotment equal to the basic allotment multiplied by 0.1 or a greater amount provided by appropriation.

(b) A school district is entitled to an allotment under Subsection (a) only for a student who:

(1) is receiving services for dyslexia or a related disorder in accordance with:

(A) an individualized education program developed for the student under Section 29.005; or

(B) a plan developed for the student under Section 504, Rehabilitation Act of 1973 (29 U.S.C. Section 794);

(2) is receiving instruction that:

(A) meets applicable dyslexia program criteria established by the State Board of Education; and

(B) is provided by a person with specific training in providing that instruction; or

(3) is permitted, on the basis of having dyslexia or a related disorder, to use modifications in the classroom or accommodations in the administration of assessment instruments under Section 39.023.

(c) A school district may receive funding for a student under this section and Section 48.102 if the student satisfies the requirements of both sections.

- If a student receives services for Dyslexia or a related disorder at any time during the school year, the type of services will be reported with the new sub-complex type TX-DyslexiaServices and the new data element DYSLEXIA-SERVICES-CODE (E1650).
- TX-DyslexiaServices sub-complex type is added to the StudentProgramExtension complex type as mandatory in the PEIMS Summer Submission.
- DYSLEXIA-SERVICES-CODE (E1650) is added to the sub-complex type TX-DyslexiaServices on the StudentProgramExtension complex type to be reported in the PEIMS Summer submission.
- Definition: DYSLEXIA-SERVICES-CODE indicates the type of dyslexia or related services a student has received at any time during the school year.

- **Element ID:** E1650
- **Data Element:** DYSLEXIA-SERVICES-CODE
- **XML Name:** TX-DyslexiaServicesCode
- **Code Table ID:** C224
- **Length:** 2
- **Data Type:** Coded
- **Pattern:** ##
- **Submission:** 3
- **Mandatory:** No

- **DYSLEXIA-SERVICES-CODE** is an unbounded data element within the TX-DyslexiaServices sub-complex type; LEAs should report each type of dyslexia service a student receives.
