

An aerial photograph of the Austin, Texas skyline at dusk. The city's skyscrapers are illuminated with warm lights, reflecting on the water of the Colorado River. A bridge spans the river in the foreground, and lush green trees line the banks. The sky is a mix of blue and orange from the setting sun.

AS-OF-STATUS-CODE - CURRENT

Local Education Agencies (LEAs) report a calculated **AS-OF-STATUS-CODE** (E1002) in the **StudentExtension** in the PEIMS Fall and Summer submissions. In the PEIMS Fall submission, the **AS-OF-STATUS-CODE** indicates the student's status as of the last Friday in October. In the PEIMS Summer submission, the **AS-OF-STATUS-CODE** indicates the student's status as of their last day of enrollment (or last day of the school year). LEAs report the calculated code using the **AS-OF-STATUS-CODE** (C163) table.

AS-OF-STATUS-CODE – UPGRADED

In the beginning, TEA will have the LEAs report two new data elements, **AsOfStatusLastFridayOctober** and **AsOfStatusLastDayEnrollment**, in the *Student* entity. In the future, TEA will calculate the two data elements.

SPPI-14 – CURRENT

Currently, TEA collects student and parent contact information through the **SPPI-14** collection to send the Post-School Outcomes Survey to a random sample of recipients. **Special Education leavers** with one of the following **LEAVER-REASON-CODES** are collected for **SPPI-14** purposes:

CODE	TRANSLATION
01	Graduated from a campus in the district or charter.
90	Graduated from another state under provisions of the interstate compact on educational opportunities for military children.
24	Withdrew from/left school to enter college and is working towards an associate's or bachelor's degree.
88	Student was ordered by a court to attend a high school equivalency program and has not earned a TxCHSE.
98	Student was not enrolled within the school-start window for a reason not listed in the LEAVER-REASON-CODE table, student dropped out, or reason for leaving is unknow.

SPPI-14 - UPGRADED

- TEA has added student and parent contact information to the PriorYearLeaver entity to collect the necessary data elements for the SPPI-14 collection:

FREQUENTLY ASKED QUESTIONS

FREQUENTLY ASKED QUESTIONS

Will every student reported with a PriorYearLeaver entity also need to report a PriorYearLeaverParent entity?

No, only special education students with one of the following ExitWithdrawTypes should be reported with a PriorYearLeaverParent entity. TEA will develop rules to prevent the PriorYearLeaverParent entity from reporting with any other ExitWithdrawTypes.

CODE	TRANSLATION
01	Graduated from a campus in the district or charter.
90	Graduated from another state under provisions of the interstate compact on educational opportunities for military children.
24	Withdrew from/left school to enter college and is working towards an associate's or bachelor's degree.
