<p>The Student Resides In A Facility For The Neglected, Attends A Non-Title I Campus, And Receives Title I, Part A Services Through A Title I; Part A Program That Is Run Through The Central Administration Office.</p> <p>“Neglected” students are those who reside in a public or private residential (children are under 24-hour care) facility that is operated primarily for the care of children who have been committed to, or voluntarily placed in, the facility because of abandonment, neglect, or death of parents. These students are coded as “A” if they do not attend a schoolwide or targeted assistance campus. Such students who attend a Title I campus would be coded “6,” or “7”, as appropriate; if they attend a non-Title I campus or if the district provides instructional services to the student at the facility, they should be coded “A.” LEAs would only code students as “A” in one of the following circumstances:</p> <ul style="list-style-type: none"><li>• The LEA received a “neglected share” as part of its Title I, Part A entitlement and provided Title I, Part A services to one or more neglected students attending a non-Title I campus; or</li><li>• The LEA may not have received a “neglected share,” but a facility for the neglected opened within the LEA’s boundaries since the last October survey of facilities for the neglected was conducted. In this case, the LEA would report the address of the facility to the Division of Formula Funding at TEA so that a survey would be generated for that facility during the next survey period. If a student residing in this facility attended a non-Title I campus and the LEA provided Title I, Part A services to the student, the LEA would code the student as “A”.</li></ul>
