# Ed-Fi: Vendor Readiness

Aug 2023

# *As you know...*

## TEA Milestones

- Pilot is complete – lots of lessons learned!
- Parallel Year about to begin
- TSDS Compatible Designation – July 2024
- Production Year Fall 2024

## What is Ed-Fi doing to prepare Vendors?

- Pilot prepared us for parallel – Don't be concerned if pilot didn't go as well as you expected
- Friday office hours
- Ed-Fi Customer Success Priority
- White glove support - including 2 cases of direct Ed-Fi developer work
- API & UI best practices: <https://techdocs.ed-fi.org/display/EDFICERT/Best+Practices>
- Reminder: Ed-Fi SIS Certification and HR/FIN badging is due Dec 31!

# *Now it gets real...*

- “Long Tail” vendors –who may or may not be ready...

- Key Takeaways:

- Most vendors are on track or at least engaged with us!
- TEA and Ed-Fi are working on a short term solution for HR/Fin
- ECDS vendors on a different cycle/work stream

# ESC Support for HR/Finance Vendors

1. Do you see challenges or concerns here?
2. Do you have support plans for districts that may not be ready for the APIs before the go-live year?
3. Are there areas where you could use additional support to onboard districts?
