2022-2023

Reminders

- The 'Census Block Group Tool (CBGT)' privilege is listed under the following TEAL Roles:
 - PEIMS Data Completer
 - ODS Data Loader
 - ODS Campus Data Loader

Current Known Issues

Record Threshold

- The system should allow up to 10,000 records for processing. This is currently not working as expected.
- TEA recommends sending a maximum of 5,000 records per file at this time.
- Once the issue is resolved, TEA will inform users the record threshold can be increased.

Current Process Review

- The current CBGT Tool and API solution allow users to input a student's street address information which is used to calculate the census block group number based on (X) Latitude (Y)Longitude coordinates obtained from the ESRI Geocoder snapshot data. In conjunction with the X/Y coordinate data the 2020 U.S. census data is also used to provide the census block group number.
- Currently the ESRI Geocoder data uses a snapshot taken at the beginning of the current school year.

Future Process Review

- The logic remains the same in using the x/y coordinates from the ESRI data snapshot before going to the 2020 U.S. Census data to obtain the census block group number.
- TEA is working to update the ESRI Geocoder data throughout the year and will communicate the progress on this work during the FCN webinars.

2023-2024

Application Updates

No application updates are currently scheduled for the 2023-2024 school year.

Updates

- No New Data Elements, Code Tables, Reports, or Business Rules
- No Updated Data Elements, Code Tables, or Reports
- No Deleted Data Elements, Code Tables, Reports, or Business Rules

Business Rule Update

 Updated business rule 40100-0224 for the 2023-2024 school year to ensure only valid census block groups are reported. The Error Level was changed to "Fatal."

						Rule Applies To				
Rule Type	Rule #	Rule Text / Business Meaning	Error Level	TSDS	PEIMS Sub	ESC	LEA	Campus	Charter	
Business Context	40100-0224	If the first two characters of STUDENT-CENSUS-BLOCK-GROUP are "48", then STUDENT-CENSUS-BLOCK-GROUP should be a valid census block group code in the Census Block Tier Mapping list. If TX-StudentCensusBlockGroup is in Texas (48), then it should be a valid census block group code in the Census Block Tier Mapping list from TEA State Funding. If an invalid Texas census block group is reported, the student will be assigned to the lowest Tier.	S F		1		Υ	Y	Υ	

Reminders

Reassign the Census Block Group number each year for those students who are reported with a Census Block Group number to PEIMS.

Data Element Updates

• Added the existing STUDENT-CENSUS-BLOCK-GROUP (E1648) to the StudentExtension complex type to be reported as "optional" in the PEIMS Summer Submission. The STUDENT-CENSUS-BLOCK-GROUP is only reported by the Excel Center For Adults (227-827).

Data Element Updates

StudentExtension

Data Element Reporting Requirements

STUDENT-CENSUS-BLOCK-GROUP (E1648) is the census block in which the student resides.

A census block is a geographic unit defined by the U.S. Census Bureau. LEAs can use the tool provided by TEA to determine the STUDENT-CENSUS-BLOCK-GROUP.

PEIMS Fall Submission

STUDENT-CENSUS-BLOCK-GROUP must be reported for students who are economically disadvantaged, enrolled on the PEIMS Fall snapshot date (last Friday in October) date (AS-OF-STATUS-CODE B, D, F, or X), and eligible for ADA, or enrolled, not in membership due to the virtual learning (ADA-ELIGIBILITY-CODE 9). This includes students (with or without a disability) who reside in a residential facility if they are regularly assigned to the LEA.

STUDENT-CENSUS-BLOCK-GROUP must not be reported for students who are:

- · not economically disadvantaged,
- not enrolled on the PEIMS Fall snapshot date (last Friday in October),
- · not in membership, (except students enrolled, not in membership due to virtual learning)
- ineligible for ADA,
- homeless, or
- residing in a residential facility but are not regularly assigned to the district.

Refer to the following table for guidance on when STUDENT-CENSUS-BLOCK-GROUP must be reported and must not be reported.

PEIMS Summer Submission

The STUDENT-CENSUS-BLOCK-GROUP must be reported for any economically disadvantaged student who is enrolled and attending an adult high school charter school program. The STUDENT-CENSUS-BLOCK-GROUP is reported based on the adult student's address at the end of the school year or the last day of enrollment, whichever comes last.

STUDENT-CENSUS-BLOCK-GROUP must not be reported for students attending an adult high school charter school program who are:

- not economically disadvantaged, or
- homeless.
