Frequently Asked Questions

Q: Does data element HOME-LANGUAGE-CODE (E0895) need to be reported for all SPPI-14 students? Why is it marked as optional in the StudentExtension complex type?

A: Yes, fatal validation rule 40203-0023 will fire in the SPPI-14 collection for any student not reported with the HOME-LANGUAGE-CODE (E0895) data element. The data element is marked as optional in the StudentExtension complex type, as it is not required for other TSDS Core collections.

Q: Which primary disability and instructional setting codes are promoted to SPPI-14?

A: The primary disability and instructional setting codes that are promoted for the SPPI-14 collection are those that are associated with the latest EFFECTIVE-DATE (E1632) for the student from the prior year PEIMS Summer (or Fall) Submission.
