Application for Listing

To have your software added to the Texas Education Agency's [public list of TSDS-compatible software](#), please complete the form below electronically and submit it via email to TSDS_feedback@tea.state.tx.us.

In order to qualify, you must provide the name and contact information for one local education agency (LEA—Texas school district or charter school) who is willing to verify to TEA that your product has successfully performed the functions you specify below. TEA will contact that LEA, but will not publish their name.
