<b>Related TEAL roles:</b> ODS Data Loader for LEA Data Steward or staff who will load data to the ODS			
<b>DTU</b>	Yes, beginning Nov 1	Yes	Yes
<b>Related TEAL roles:</b> ODS Data Loader for LEA Data Steward or staff who will load data to the ODS			
<b>Validation Tool</b>	Yes, beginning Dec 1	Yes, beginning Dec 1	Yes
<b>Related TEAL roles:</b> Any TSDS user can access the TSDS Portal to download the Validation Tool			
<b>Student Photo Utility</b>	Yes, beginning Dec 1	Yes, beginning Jan 1	Yes
<b>Related TEAL roles:</b> ODS Data Loader for LEA Data Steward or staff who will load data to the ODS			
<b>TIMS</b>	Yes, beginning Nov 16 for UAT, data loading issues. Dec 1 for regular production user issues for TEA Dashboards. (For ESC-10 Dashboards	Yes, for all TSDS Dashboards-related issues and beginning January 1, 2014, for Unique ID issues.	Yes, for all TSDS issues

	issues, continue to use ESC-10 JIRA).		
	<b>Related TEAL roles:</b> <ul style="list-style-type: none"> <li>• <b>TIMS LEA Support</b> for LEA steward or staff who will provide level 1 support at the district.</li> <li>• <b>TIMS ESC Support</b> for Champions who will provide level 2 support.</li> <li>• <b>System Support</b> for TEA staff who will provide Level 3 support.</li> <li>• <b>TIMS Technical Support</b> for TEA staff who will provide Level 4 support.</li> </ul>		
<b>UAT by Data/Dashboards Stewards</b>	Yes, Nov 18 - 22 in TEA Test environment. Data will be loaded and accounts set up by TEA.	December	February
<b>Optional Automated TEAL account provisioning for Dashboards roles (teachers and district staff)</b>	Yes, beginning Dec 1	Yes, beginning Dec 1	Yes (LEA users must be set up before training if that will be done on live data.)
	<b>Related TEAL roles:</b> <b>Dashboard Configurator + Dashboard User</b> (select <u>both</u> ) for LEA Steward or staff who will set up roles for other LEA staff in Dashboards. (Corresponds to System Administrator in Dashboards. After all access is set up, Dashboards Configurator role in TEAL is terminated and Dashboard User role remains; still set up as System Administrator in local Dashboards) <b>NOTE:</b> LEAs that opt to use manual account provisioning will also need both <b>Dashboard Configurator + Dashboard User</b> roles.		
<b>Teachers and other LEA staff begin using Dashboards in production</b>	Dec 1	January 1 or as soon after that as data is loaded by LEA Stewards and verified.	March 1 or as soon as data is loaded by LEA Stewards and verified.
	<b>Related TEAL roles:</b> <b>Dashboards User</b> for teachers and other LEA staff who will log on to view and use Dashboards. Includes access to enter TIMS issues. (Can be done via traditional TEAL request or automated provisioning. Each Dashboards User is mapped to one of the 7 local Dashboards roles).
