Early Notice of New PEIMS Fall Enrollment Submission and Changes to the PEIMS Fall Submission for the 2026-2027 School Year

Overview

New PEIMS Fall Enrollment Submission:

Beginning in the 2026-2027 school year, the Texas Education Agency (TEA) will add a new submission to PEIMS. The PEIMS Fall Enrollment Submission will consist of: (1) all students enrolled on the first Friday in October with their Special Education program determination and (2) students in grades 7-12 enrolled at any point during the school start window (first day of school through the last Friday in September). This data will be collected to complete certain federal submissions and for statewide leaver reconciliation. Additionally, the TEA program area will update the program data used for continuers to begin using the data reported in the prior-year PEIMS Summer Submission. This change will allow TEA to meet the federal reporting deadlines for certain EDFacts and Perkins submissions.

PEIMS Fall Submission:

Beginning with the 2026-2027 school year, the PEIMS Fall Submission will only include students enrolled, staff employed, and budget data as of the last Friday in October.
