Class Roster Winter

Class Roster Winter

- Issue identified in 2024-2025: Staff who had left the LEA were still reported with a **TeacherIncentiveAllotmentDesignation** (E1722).
- TEA is actively researching this issue and will provide guidance in an upcoming Field Coordinator Network (FCN) communication.

Special Education Language Acquisition

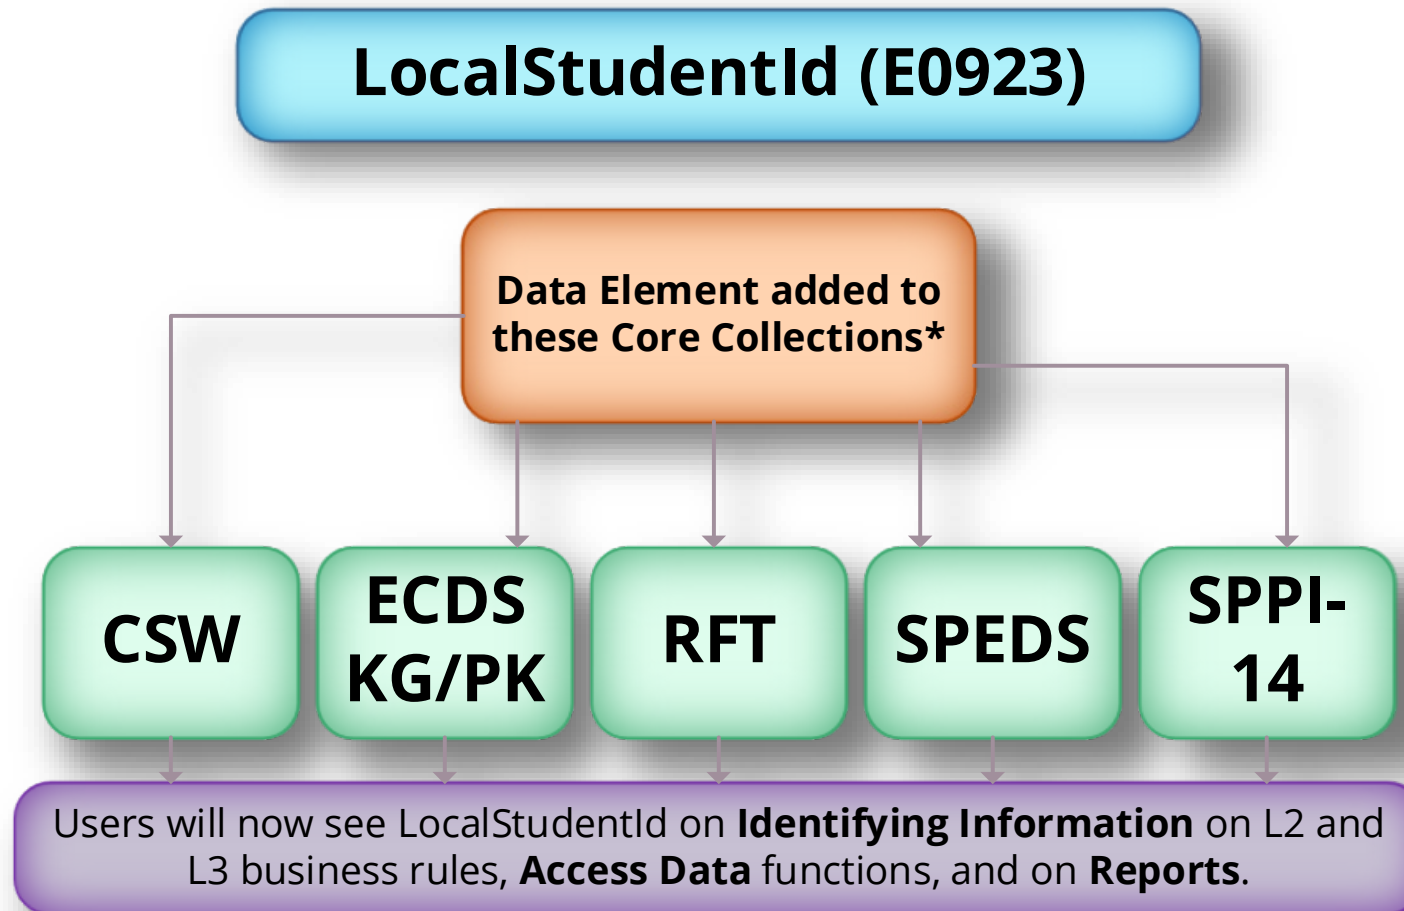

- Currently, the campus promoted into the Core Data Mart comes from the 9-digit EducationOrganization reference from the StudentSpecialEducationProgramAssociation (SSEPA).
- 2026.2.0 TEDS changes that reference to the 6-digit EducationOrganization reference, instead of the 9-digit SchoolID reference.
- SELA promotion logic will be adjusted to include StudentSchoolAssociation to ensure a campus is associated with each student reported.
